“This is my first time in Asheville. I just flew in today…Far be it for me to sit back an recommend to you guys who are enmeshed in this on a daily basis.” ” ‘The Case For Reparations’ is an article that’s built on reporting and I haven’t done the requisite and required research and reporting to have the understanding to make (a recommendation) “

Covered by Madison County reporter, for some reason…Where are all the Asheville reporters?
Never mind, Asheville reporters have a long history of causing harm to the Black community

Suspect arrested March 15, 2019 for the January 12, 2019 burning of a beautiful 2003 Toyota Celica GTS 6-speed manual transmission, rad trim package, sunroof, killer stereo…

Next court date April 3, 2023 but won't be a trial, maybe resolved this year, who knows. Victim annoyed…
