AUDIT
ASHEVILLE CITY COUNCIL ELECTED OFFICIALS 1931-2022

Since the creation of the Asheville City Council in 1931 a total of 653 years of service has been given by all of our Mayors and Councilmembers.

Only 56 of those years have been served by African-Americans. This constitutes 8.6% representation of the black community for the entire history of the Asheville City Council.

One quarter of African-American service was accomplished by one Councilwoman and Mayor, Terry Bellamy. Another 25% has been served by all who have followed her through 2022.
