Council Meeting Date: September 13, 2022

Subject: 2022 High Intensity Drug Trafficking Areas (HIDTA) Grant

Staff Resource(s): Elise Lewis, APD Financial Business Manager

Action Requested: Adoption of a resolution to apply for and accept the 2022 High Intensity Drug Trafficking Areas (HIDTA) Grant on behalf of the Asheville HIDTA branch; and adopt a budget amendment in the City's Special Revenue Fund in the amount of $204,638.

Background:

- The purpose of the HIDTA program is to reduce drug trafficking and especially production in the United States, specifically in areas where drug-related activities are having a significant harmful impact.
- This unit does not focus on, or adopt cases, that are for simple possession, but focuses only on cases that deal in trafficking, manufacturing, and distribution of illegal drugs.
- The Asheville Police Department acts only as the fiduciary for the grant.
- When expenses are incurred, the fiduciary settles the claims using appropriated City of Asheville funds and then requests a 100% reimbursement from the federal government.
- The Asheville HIDTA is the direct beneficiary of the grant funds and not the Asheville Police Department.
- The Asheville HIDTA is comprised of members of the United States Drug Enforcement Administration, one officer from the Asheville Police Department, and various individuals from the Sheriff Offices of several Western North Carolina Counties.
- A United States Drug Enforcement Administration supervisor, who is the Asheville HIDTA manager, determines how grant funds will be expended.
- All members of the Asheville HIDTA receive reimbursement when they incur qualified expenses conducting Asheville HIDTA business.
- The Office of National Drug Control Policy has preliminarily determined that the City of Asheville is eligible to manage this grant totaling $204,638.
- Grant funds are used for overtime, travel, services and supplies.
- All expenses are tracked and audited by local and federal authorities.
