Good evening everyone,

Just wanted to say thank you for meeting today. I think that the meeting went well, and definitely have direction on next steps. Thank you again to David for spearheading the fundraising for Jones Park. I hope that the potential options for pass-throughs will work. I hope everyone has a wonderful rest of the week. Thank you again for your participation today.

Sincerely,

James

James -

I really appreciate your bringing this meeting together and your support of rebuilding the park. No funds from ACS expected during this crisis, just need help coordinating with the City / County as necessary.

I'm working to get Asheville Parks and Rec's commitment to maintain the playground.

All the best,

David

Peggy,
Thanks for meeting today to discuss the options for getting Jones Park playground rebuilt.
How did your discussion later in the day go in regards to the county giving this piece of land to the city for a city maintained park?
David
