THE CITY OF ASHEVILLE
Staff Report

Council Meeting Date: January 25, 2022

Subject: Station Alerting Contract for Broadway Public Safety Station.

Staff Resource(s): Jade Dundas, Capital Projects Director

Action Requested: Adoption of a resolution authorizing the City Manager to enter into a contract with Motorola Solutions, Inc. in the amount of $145,691 to extend the Mach Alert station alerting system to the Broadway Public Safety Station.

Background:
- The Broadway Public Safety Station–a combined use facility comprising Fire Station 13, a police substation, an emergency operations center (EOC) and a community meeting room–is currently under construction.
- The facility requires a station alerting system to provide visual and audible notification to fire and rescue personnel of incoming emergency response events.
- Motorola's Mach Alert System is the current station alerting system employed by the Asheville Fire Department.
- Mach Alert has been approved as a sole source procurement via Resolution 21-37.
- This contract will have a duration of 371 calendar days, completing by January 31, 2023

Vendor Outreach Efforts:
- Not Applicable - Sole source procurement

Council Goal(s):
- Financially Resilient City

Committee(s):
- None

Pro(s):
- Maintains the standardization of a critical fire department system
- This standardization results in cost savings in operations and maintenance

Con(s):
- Sole source procurement may reduce competitive pricing.

Fiscal Impact:
- Funding for this contract is already included in the adopted Capital Improvement Program (CIP) project budget.

Suggested Motion:
- Motion to adopt a resolution authorizing the City Manager to enter into a contract with Motorola Solutions, Inc. in the amount of $145,691 to extend the Motorola Mach Alert station alerting system to the Broadway Public Safety Station.
