Council Meeting Date: March 23,2021

Subject: Authorization to submit the Amended 20-21 Annual Action Plan to the U.S. Department of Housing and Urban Development.

Staff Resource(s): Sam Powers, Community and Economic Development Director
Nikki Reid, Economic Development Program Director
Paul D'Angelo, Community Development Program Director

Action Requested: Authorize the City Manager to submit an amendment to the 2020-21 Annual Action Plan for Community Development Block Grants (CDBG) and the HOME Investment Partnerships Program (HOME) funding awards to the U.S. Department of Housing and Urban Development (HUD) and to sign all necessary documents; and a budget amendment to increase the amount of the Fiscal Year (FY) 2020-21 CDBG Fund budget to include $1.6M from the sale of city-owned land originally purchased through the Urban Renewal program in the 1970s.

Background:

- On November 10, 2020, Asheville City Council approved the 2020-21 Annual Action Plan for CDBG and HOME programs.
- This is a request to amend the Annual Action Plan to add CDBG funds from the sale of city-owned property to White Labs (a portion of which was acquired through urban renewal) and to allocate those additional funds for the purchase of a property at 65 Ford Street.
- The sale of City-owned land to White Labs, Inc. occurred in December 2020, and the City received $3.7 million in revenue.
- A portion of this property at 172 & 174 S. Charlotte Street includes land the City purchased in the 1970's that was part of Urban Renewal of East End / Valley Street.
- Of the proceeds, $1.6 million is classified as CDBG Program Income and must be spent on CDBG eligible activities to benefit low to moderate income individuals and families and/or in low to moderate income (LMI) areas.
- In addition, the CDBG funds must be spent, not just assigned or allocated, on an eligible CDBG project before May 1, 2021, to pass the City's Annual HUD timeliness test or the City risks future grant allocations per HUD requirements.
- HUD has a longstanding policy of reducing the next year's grant allocation if a grantee continues to show untimely expenditures of funds.
- Acquisition of real property is an eligible use for CDBG Program Income and includes the purchase of land.
- Staff shared the desire to partner with the Housing Authority of the City of Asheville at the City Council Affordable Housing Workshop in January 2021.
- Staff has identified an eligible land acquisition to assist the Housing Authority of the City of Asheville's (HACA) rebuild of Deaverview Apartments, as a strategic use of these time-sensitive federal funds.
- This investment, specifically the purchase of 65 Ford Street of approximately 21 acres, will transfer federal funds tied to urban renewal into a viable housing resource to serve approximately 300 low and moderate income individuals and families.
- The purchase of the Ford Street property was approved by City Council in February 2020 and this is a request to use the CDBG Program Income funds, rather than Affordable Housing Bond Land-banking funds, to purchase the property due to the requirements that a municipality should only have 1.5 times their annual CDBG Allocation unspent by May 1st, 2021.

Council Goal(s):

- A Diverse Community
- Quality Affordable Housing

- Thriving Local Economy

Committee(s):
- Housing & Community Development Committee (HCD) - March 16, 2021 - Discussion only

Pro(s):
- Approval of the Amended Annual FY 20/21 Action Plan allows the City of Asheville to complete the purchase of 65 Ford Street with the intent to assist with the redevelopment of the Deaverview Apartments to develop up to 300 affordable housing units for the benefit of low to moderate income individuals and families.
- Approval of the Amended Annual FY 20/21 Action Plan will assist the City of Asheville with their HUD timeliness test that will occur on May 1, 2021, and minimize the potential of having our annual allocation reduced due to our inability to spend the current allocation fast enough.
- Using restrictive HUD CDBG PI dollars on the eligible purchase 65 Ford Street frees up other less restrictive sources of funding like Housing Trust Fund dollars for other housing initiatives.

Con(s):
- The receipt of these funds in late December, 2020, and the HUD timeliness test on May 1, 2021, limits the abilities of the City of Asheville to spend this funding on other eligible activities and in a timely manner.

Fiscal Impact:
- The Action Plan is fully funded from federal CDBG & HOME entitlement grants, unused funds from previously completed projects, and estimated program income.
- The City of Asheville is reserving none of this $1.6M in CDBG PI for staff costs to administer the funding, normally 20%.
- The FY 2020-21 budgets for the both CDBG & HOME program were included in the annual budget ordinance that City Council adopted on July 30, 2020, and updated on November 10, 2021.
- The budget amendment will revise the CDBG amounts to include this $1.6M in CDBG PI.
- The purchase of 65 Ford Street will cost approximately $1.5M for site costs and due diligence, leaving approximately $100,000 in CDBG Program Income that can be absorbed into CDBG PI for future CDBG allocations.

Suggested Motion:
- Move to adopt the resolution authorizing submission of an amendment to the City's Annual Action Plan for 2020-2021 to the U.S. Department of Housing and Urban Development (HUD) and authorizing the City Manager to sign all necessary documents; and a budget amendment to increase the amount of the FY 2020-21 CDBG Fund budget to include $1.6M from the sale of city-owned land originally purchased through the Urban Renewal program in the 1970s and approval to use these funds to purchase the 65 Ford Street property.
