THE CITY OF ASHEVILLE

Staff Report

Council Meeting Date: June 9, 2020

Subject: Contract Extension agreement for State Regional Hazardous Materials Response Team Number Six (6)

Staff Resource(s): Chief Scott Burnette; Abby Moore

Action Requested: Adoption of 2020 Contract Extension Agreement for the State Regional Hazardous Materials Response Team Number Six (6)

Background

- North Carolina is divided into seven geographical regions for the purpose of hazardous material emergency response.
- The North Carolina Department of Public Safety contracts with municipalities across North Carolina to respond into the geographical regions and provide technician level hazardous materials emergency response.
- The region's six areas encompass the westernmost twenty counties.
- The City of Asheville has been a regional hazardous materials provider since Fiscal Year 1994-1995.
- The State of North Carolina provides funding that fully supports the operational costs of the program.
- The City receives $69,000 annually for administration, equipment, training, medical surveillance, and workman's compensation.
- The truck and equipment provided to the City by the State for use on State and local hazmat missions are valued at $1.5 million.
- The City is reimbursed at 100% of the costs expended when the team is deployed for a state mission.
- The current agreement ends on June 30, 2020, and a new agreement for the next four years was originally set to begin July 1, 2020, but due to circumstances surrounding COVID-19, the North Carolina Department of Public Safety Division of Emergency Management wants to activate the fifth-year extension clause of the agreement for four months with the City of Asheville for Hazardous Materials Emergency Response Services from July 1, 2020 through October 31, 2020.
- The Asheville Fire Department will come before Council in the coming months for the renewal of the agreement for November 1, 2020 - June 30, 2024.

Vendor Outreach Efforts:

- N/A

Council Goal(s):

- Smart City

Committee(s):

- None

Pro(s):

- The State of North Carolina provides the hazardous materials response truck, all response equipment and provides for administrative costs of operating the team. In addition, the state funds extensive training for members of the Asheville Fire Department to enable us to competently handle hazardous materials emergencies.

- The City of Asheville has full use of the truck and all specialty equipment within the City of Asheville. Without the state hazardous materials contract, Asheville taxpayers would need to provide much of the resources necessary to properly respond to Hazardous Materials emergencies within Asheville.
- With the contract, we have the advantage of the equipment and resources being funded at the state level, rather than at the local level.
- During the twenty nine years that we have provided regional hazardous materials response services, we have not experienced difficulties or disadvantages with the program. This program is also consistent with the City's Strategic Operating Plan.
- Firefighter and citizen safety will be enhanced.

Con(s):
- None identified

Fiscal Impact:
- There are no fiscal impacts that have been identified

Suggested Motion:
- Move to adopt a resolution authorizing the City Manager to enter into a four month contract extension agreement with the North Carolina Department of Public Safety to provide regional hazardous materials emergency response for region 6.

Attachment(s)
- Resolution

RESOLUTION NO. 20-____

RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF PUBLIC SAFETY DIVISION OF EMERGENCY MANAGEMENT TO EXTEND THE REGIONAL HAZARDOUS MATERIALS EMERGENCY RESPONSE TEAM - 6 AGREEMENT FOR SIX MONTHS

WHEREAS, the City of Asheville has authority pursuant to Chapter 166A of the North Carolina General Statutes to enter into agreements concerning hazardous materials emergency response with the State of North Carolina; and

WHEREAS, the City previously entered into a Regional Hazardous Materials Emergency Response Agreement (herein “Agreement”) with the State of North Carolina that is set to expire on June 30, 2020; and

WHEREAS, the State of North Carolina has requested that Agreement be extended through October 31, 2020, with the expectation of entering into a longer term contract at the conclusion of the extension; and

WHEREAS, funds are available from the State of North Carolina through the Department of Public Safety Division of Emergency Management for provision of Regional Hazardous Materials Emergency and Response; and

WHEREAS, the State of North Carolina agrees to provide specialized equipment and materials for use by the City of Asheville; and

WHEREAS, the City of Asheville has the staff, expertise and commitment to provide regional hazardous materials emergency response services;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE THAT:

The City Manager is hereby authorized to extend its contract with the State of North Carolina concerning Hazardous Materials Regional Response Team 6 through October 31, 2020.

Read, approved and adopted this the 9th day of June, 2020.
