Action Requested: Adoption of a resolution to set a public hearing for March 10, 2020, for the closure of a portion of an unopened right-of-way off Merritt Park Lane.

Background:

- N. C. Gen. Stat. Sec 160A-299 grants cities the authority to permanently close streets and alleys.
- The City of Asheville has petitioned for this closure which is associated with the sale of City-owned property at 360 HIlliard Ave. (PIN # 9648-18-3942) and 9999 Merritt Park Lane (PIN# 9648-18-3669) to Hilliard Park Apartments, LLC for an affordable housing development.
- An unopened portion of Merritt Park Lane crosses the Merritt Park Lane property and runs along its eastern border as shown on the attached map.
- Upon closure, all of the portion of the unopened right-of-way that crosses the Merritt Park property will become the property of Hilliard Park Apartments, LLC and all of the unopened right-of-way along the eastern border of the Merritt Park property will become the property of the City as agreed to by Hilliard Park.
- As part of the purchase agreement, Hilliard Park has agreed to construct a public greenway which will run along the western border of the 360 Hilliard property as well as the northern portion of the Merritt Park property where the unopened right-of-way currently exists. Upon completion, the greenway area will be deeded back to the City.
- This closure allows maximum land use potential for further development while complying with Living Asheville - A Comprehensive Plan for our Future. This is a multi-family residential building with 86 units, several of which are affordable units.
