Dear County Manager, County Commissioners, and Caldwell County Staff,

On behalf of the Mayor, Town Council, and staff of the Town of Gamewell, I am pleased to introduce Mr. Daniel Odom, who will began serving as the Town Planner for the Town of Gamewell late July 2026, through the Town's planning services agreement with the Western Piedmont Council of Governments (WPCOG).

Mr. Odom succeeds Matt Grogan and will serve as the Town's primary planning contact. In this capacity, he will provide professional planning services to the Town, including planning and zoning administration, development review, ordinance and policy assistance, support for the Planning Board/Board of Adjustment, and professional guidance to the Mayor, Town Council, staff, and citizens.

The Town of Gamewell values its longstanding partnership with Caldwell County and appreciates the collaboration between our organizations.

My apologies for the delay in the notification, we are confident that Mr. Odom's experience and expertise, together with the support of the Western Piedmont Council of Governments, will serve our community well.

We look forward to collaborating with you and Mr. Odom in the months ahead.

Sincerely,

Bonnie Caudle
