MEMORANDUM

TO: Mayor and Town Council

FROM: Mark E. Biberdorf, Town Manager

COPY TO: Heather Taylor, Assistant Town Manager

SUBJECT: Interlocal Agreement with Henderson County for Joint Library Project

Earlier this year the Town of Fletcher entered discussions with Henderson County regarding a joint project to develop a new library branch in Fletcher. As a part of that process, it was agreed that the County would develop a memorandum of understanding or interlocal agreement to help outline the commitment of both parties to this project.

Attached for Council's review and action is a draft of the proposed interlocal agreement for the library project. I will review the interlocal agreement in greater depth with you at the Agenda Review meeting.

If Council should have any questions about this item prior to the Agenda Review meeting, please let me know.
