CITY OF HENDERSONVILLE

AGENDA ITEM SUMMARY

SUBMITTER: Angela Beeker **MEETING DATE:** 10/28/26

AGENDA SECTION: CONSENT **DEPARTMENT:** Legal

TITLE OF ITEM: Technical Corrections to Chapter 52 – Utilities of the City of Hendersonville Code of Ordinances – *Angela Beeker, City Attorney*

SUGGESTED MOTION(S):

I move that City Council adopt **TECHNICAL CORRECTIONS TO AN ORDINANCE OF THE CITY OF HENDERSONVILLE CITY COUNCIL TO ADOPT AMEND CHAPTER 52 OF THE CODE OF ORDINANCES FOR THE CITY OF HENDERSONVILLE**

SUMMARY:

On September 23, 2026, City Council approved amendments to Chapter 52 – Utilities of the City of Hendersonville Code of Ordinances. These amendments were necessary to bring the Code of Ordinances into alignment with the revised Customer Account and Billing Policy, effective October 1, 2026. Certain technical corrections are required. An ordinance making these correction is attached for City Council's approval.

BUDGET IMPACT: N/A

ATTACHMENTS:

1. Technical Corrections Ordinance

Ordinance #O-

TECHNICAL CORRECTIONS TO AN ORDINANCE OF THE CITY OF HENDERSONVILLE CITY COUNCIL TO ADOPT AMEND CHAPTER 52 OF THE CODE OF ORDINANCES FOR THE CITY OF HENDERSONVILLE

WHEREAS, City Council adopted an ordinance to update provisions of Chapter 52 of the City Code of Ordinance to implement the revised policies and procedures; and

WHEREAS, certain technical corrections are necessary;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HENDERSONVILLE, NORTH CAROLINA THAT:

SECTION 1. This Ordinance shall be known as "Technical Corrections to An Ordinance to Update Chapter 52 of the Code of Ordinances for the City of Hendersonville for Billing and Collection of Utility Services Accounts."

SECTION 2. That Chapter 52 of the Code of Ordinances, City of Hendersonville, North Carolina is hereby amended to read as follows:

Chapter 52 UTILITIES

ARTICLE I. IN GENERAL

******

Sec. 52-10. Application for service.

Application shall be made for water, sewer, solid waste removal or any other utility service that may be furnished by the city, which shall be required in writing. Such application shall include, but not limited to, the name and address(es) of the applicant, the type of utility service desired, the purposes for which the application is made and such other information as may be required by the city. Once submitted and approved, an application shall constitute a contract for utility service between the applicant and the city, with the terms being the city's standard utility service contract terms and conditions, duly adopted utility service policies, and this Chapter 52 of the Hendersonville Code of Ordinances being incorporated therein. The Finance Director shall have the authority to enter into the utility services agreements with customers on behalf of the city, and to determine the standard terms and conditions of the agreement, provided however that such terms and conditions are consistent with the terms of this Chapter 52, as amended.

With the exception of stormwater services, all properties (and if there is more than one connection on a property, all connections) must be subject to a utility services agreement in order to be eligible to receive utility services. No connection shall be made to any sewer or water lateral except after the utility services agreement has been entered. In addition to any other available remedy, violation of this section is also a misdemeanor as provided in section 1-6

The Utilities Director and Finance Director shall each be authorized to order the disconnection of a property (or a connection on the property) from utility service if ~~neither~~ the property owner ~~nor the non-owner occupant of the property (for non-owner occupied properties)~~ fails to submit~~s~~ an application for service and enters into the city's standard utility services agreement within five (5) days of being notified

on behalf of the city, in writing, that there is no utility services agreement on file with the city for the property (or for one or more connections on the property).

******

ARTICLE II. RATES AND CHARGES

******

Sec. 52-49. Rates, charges and fees to be determined by council.

The rates, charges and fees imposed for the use and enjoyment of any utility service furnished by the city to consumers or users thereof shall be as determined by the city council from time to time. All properties on which one or more water meters have been placed for service shall be subject to a base fee charge for each water meter placed. The property owner shall be liable for payment of such base fee. The property owner shall also be liable for payment of any stormwater fee assessed against the property; however a non-owner occupant may assume liability for payment of thebase fee and the stormwater fee(s) by entering into a utility service agreement for the receipt of one or more utility services at the property. In such event, the non-owner occupant and the property owner shall be jointly and severally liable for payment of the base fee and the stormwater fee(s). Stormwater, water and sewer, and sanitation collection rates, fees and charges will be billed together on the same invoice.

Sec. 52-50. Payment.

(a) The rates, charges and fees fixed and prescribed by the provisions of this article shall be due and payable on or before the 20th day following the date of billing. The due date shall be clearly and legibly printed on the bill.

(b) All partial payments, or any amounts which do not constitute full satisfaction of the total fees and charges for all utility services rendered by the stormwater department, water department, sewer department or the environmental services department of the city, and levied against any person or property who, or which, shall be the recipient of such services, shall be allocated and distributed in satisfaction of such fees and charges in the following order of priority:

(1) Miscellaneous Fees and Charges

(2) Stormwater Fees and Charges

(3) Fees and charges incurred for the collection and disposition of residential, commercial or industrial garbage, trash or any other waste or refuse by the city environmental services department.

(4) Sewer Fees and Charges

(5) Water Fees and Charges

******

Sec. 52-52. Resumption of service; reconnection fee.

Any consumer of the utility services furnished by the city whose utility services have been disconnected or terminated at a property for the nonpayment of the rates and charges therefore may have such utility services resumed by paying all rates and charges due by him or her to the city for that property, and in addition thereto, the currently required reconnection fee and all other fees or charges that may be applied by the city. Additionally, where the applicable utility service agreement allows, the city may require that all outstanding utility service accounts having an outstanding balance be paid in full prior to service being re-established at the property.

Sec. 52-53. Voluntary temporary discontinuance of service.

Consumers wishing to temporarily discontinue the use of any utility service furnished by the city, as for example when they will be out of town for an extended period of time , must give written notice thereof at customer service in the finance department. Customers shall remain liable for payment of all utility service fees incurred during such temporary discontinuance of service.

Sec. 52-54. Initiation of service.

All water and sewer services shall become active once the water meter (or sewer meter) is set into place including, but not limited to, new construction. Services shall become due and payable during the billing cycle immediately following service activation, regardless of physical connection.

Sec. 52-55. Correction of errors and leak adjustments.

Failure to receive a utility service fee bill is not justification for nonpayment. If it is determined that a customer has been billed incorrectly, an adjustment or a corrective bill will be issued.

If the customer has been overbilled, the city will ~~issue a corrective bill~~ calculate an adjustment for a maximum two year period of overbilling and will apply a credit to the account for the amount of the overbilling.

If the customer has been underbilled or not billed, the city will process a corrective bill for up to two- year of the underbilled/not billed charges and the customer will be liable to pay the amount not billed or the amount of underbilling.

The City Finance Director shall be authorized to implement a policy for adjusting a customer's bill for non-preventable water leaks.

The City Finance Director shall be authorized to enter into a payment plan (1) with a customer who has been underbilled; (2) to assist a customer in payment of a balance occurring due to a non-preventable leak; or (3) in other circumstances which in the discretion of the Finance Director warrant the entry of a payment plan with a customer to allow for the payment of an outstanding balance. Any such payment plan shall allow the customer to pay an outstanding balance over a period of time not to exceed twenty-four (24) months, except where a customer reasonably demonstrates that longer is needed for payment of the balance, the period of repayment may be for up to thirty-six (36) months. Payment plans shall be evidenced in writing, and such writing must provide that all utility service accounts and the payment plan payments must be kept current for the payment plan to remain effective. The Finance Director shall be authorized to accelerate the balance owed on the payment plan for a customer default.

******

SECTION 3. If any provision of this ordinance or its application is held invalid, the invalidity does not affect other provisions or applications of this ordinance that can be given effect without the invalid provisions or application, and to this end the provisions of this ordinance are severable.

SECTION 4. It is the intention of the City Council and it is hereby ordained, that the provisions of this ordinance shall become and be made part of the Code of Ordinances, City of Hendersonville, North Carolina, and the sections of this ordinance may be renumbered to accomplish such intention.

SECTION 5. This Ordinance shall be effective upon its adoption.

Adopted by the City Council of the City of Hendersonville, North Carolina on this 28st day of October, 2026.

Attest: _____
Barbara G. Volk, Mayor, City of Hendersonville

_____
Jill Murray, City Clerk

Approved as to form:

_____
Angela S. Beeker, City Attorney

CITY OF HENDERSONVILLE

AGENDA ITEM SUMMARY

SUBMITTER: Logan Hickey **MEETING DATE:** 10/28/26

AGENDA SECTION: Consent Agenda **DEPARTMENT:** Finance, WTP

TITLE OF ITEM: Sole Source Purchase of Axon Products- *Logan Hickey, Chief Blair Myhand, Captain Trae Laws*

SUGGESTED MOTION(S):

I move City Council adopt the *Resolution by the City of Hendersonville City Council to Authorize the Sole-Source Purchase Five (5) Year Contract for Axon Products.*

SUMMARY:

The City of Hendersonville's Finance Department is submitting this request on behalf of the City's Police Department. The Police Department has indicated the following: "Axon provides Conducted Energy Weapons to the Hendersonville Police Department. The Hendersonville Police Department has maintained and contracted Axon to provide this product to the Hendersonville Police Department for over 20 years. All Hendersonville Police Department officers are certified and trained to use Axon Conducted Energy Weapons. The Hendersonville Police Department maintains training equipment and certified instructors of Axon Conducted Energy Weapons. The use of Axon Conducted Energy Weapons is mission critical to the operations of the Hendersonville Police Department."

This would be part of a five (5) year contract totaling $322,789.94 after taxes with $63,453.29 apply to Fiscal Year 2027. Per the attached, Axon is providing $23,872.59 in buyback incentives for our existing outdated equipment. This encompasses fifty-one (51) devises.

The City has elected not to use the allowable Group Purchasing Organization Contract via League of Oregon Cities (which it used five (5) years ago), due to pricing now being substantially lower than the current GPO's contracted pricing.

NCGS 143-129(e) lists the authorized exceptions to the formal bid procedures. NCGS 143-129(e)(6) allows for purchases of apparatus, supplies, materials, or equipment to be purchasing using sole-source exception when: (i) performance or price competition for a product are not available; (ii) a needed product is available from only one source of supply; or (iii) standardization or compatibility is the overriding consideration. The governing board of a political subdivision of the State shall approve the purchases listed in the preceding sentence prior to the award of the contract. Staff is requesting City Council to approve this sole source purchase from Axon Enterprises, Inc. for the Police Department.

BUDGET IMPACT: $322,789.94

Is this expenditure approved in the current fiscal year budget? Yes

Tax is estimated based on rates applicable at date of quote and subject to change at time of invoicing. If a tax exemption certificate should be applied, please submit prior to invoicing.

Exceptions to Standard Terms and Conditions

Agency has existing contract(s) originated via Quote(s):
Q-334309,

Agency is terminating those contracts effective 10/1/2026. Any changes in this date will result in modification of the program value which may result in additional fees or credits due to or from Axon.

The parties agree that Axon is applying a Transfer Balance of -$1,337.52

Rewrite Estimates

Estimated Amounts and Contract Terminations. Any amounts stated as due under existing or terminated contracts — including contract transfer balances carried forward to new or pending contracts — are estimates based on payments received as of the calculation date. These estimates may be adjusted if new contracts are not executed on the anticipated dates or if expected payments are not made.

Refresh Shipment Timing

Technology Assurance Plan (TAP) Refresh Prior to Renewal. For Customers with expiring agreements that include TAP refresh rights, Axon may, in its discretion, ship refresh hardware under the existing contract while renewal or replacement agreements are in progress. Any such shipments will be deemed made under the terms of the existing contract until the new contract is fully executed, after which any applicable updates, fees, or adjustments will apply.

Shipment Timing

Shipment Variance. Estimated shipment dates are provided for planning purposes only and are not guarantees. Axon may ship hardware before or after the estimated shipment date, and failure to meet an estimated shipment date will not, by itself, constitute a breach, provided Axon uses commercially reasonable efforts to meet estimated shipment dates.

Re: Sole Manufacturer Letter for Axon Enterprise, Inc.'s Conducted Electrical Weapons, on-Officer Cameras, and Evidence.com Data Management Solutions

Axon Enterprise, Inc. (Axon), is the sole manufacturer for TASER brand energy weapons and Axon brand products. Axon is also the sole distributor of all Axon brand products in the USA and the sole distributor of all TASER brand products in the States of AR, CT, DE, FL, GA, HI, IA, IL, IN, KS, LA, MA, MD, ME, MN, MO, MS, NC, ND, NE, NH, NJ, NY, OK, OR, PA, RI, SC, SD, VA, VI, VT, WI, WV, and the District of Columbia. Axon is also the sole developer and offeror of the Evidence.com data management services.[1]

TASER Energy Weapon Descriptions

TASER 10 Energy Weapon

- Multi-shot energy weapon
- Detachable magazine holding 10 TASER 10 Cartridges
- 45-foot (13.7-meter) range
- High-efficiency flashlight
- Green LASER sight
- Central Information Display (CID): Displays mission critical data such as remaining battery energy, burst time, and cartridge status.
- Weapon logs
- TASER Weapons Dock connected to Axon Evidence (Evidence.com) services
- Onboard self-diagnostic and system status monitoring and reporting
- Real-time clock updated when the battery pack is plugged into the TASER Weapons Dock
- Ambidextrous selector switch
- Can be configured by the agency to alert Axon camera systems
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (unless configured by the agency to stop at five seconds). The energy weapon cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER 10 Cartridges only

TASER 7 Energy Weapon

- Multiple-shot energy weapon
- High-efficiency flashlight
- Close Quarter and Standoff cartridges
- Green LASER and dual red LASERs that adjust for cartridge angle
- Arc switch enables drive-stun with or without a TASER 7 Cartridge installed
- Central Information Display (CID): Displays mission critical data such as remaining battery energy, burst time, and cartridge status.
- Weapon logs
- TASER Weapons Dock connected to Axon Evidence services

[1] Evidence.com is both a division of Axon and a data management product solution offered by Axon. Evidence.com is not a separate corporate entity.

- Onboard self-diagnostic and system status monitoring and reporting
- Real-time clock updated when the battery pack is plugged into the TASER Weapons Dock
- Ambidextrous safety switch
- Can be configured by the agency to alert Axon camera systems
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (unless configured by the agency to stop at five seconds). The energy weapon cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER 7 Cartridges only

TASER 7 CQ Energy Weapon

- Multiple-shot energy weapon for agencies that deploy energy weapons mostly at close quarters (CQ)
- High-efficiency flashlight
- Close Quarter cartridges
- Arc switch enables drive-stun with or without a TASER 7 Cartridge installed
- Central Information Display (CID): Displays mission critical data such as remaining battery energy, burst time, and cartridge status.
- Weapon logs
- TASER Weapons Dock connected to Axon Evidence services
- Onboard self-diagnostic and system status monitoring and reporting
- Real-time clock updated when the battery pack is plugged into the TASER Weapons Dock
- Ambidextrous safety switch
- Can be configured by the agency to alert Axon camera systems
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (unless configured by the agency to stop at five seconds). The energy weapon cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with 12-degree TASER 7 Cartridges only

X2 Energy Weapon

- Multiple-shot energy weapon
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart Cartridge installed
- Central Information Display (CID): Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Axon Evidence services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The energy weapon cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart Cartridges only

X26P Energy Weapon

- High efficiency flashlight
- Red LASER (used for target acquisition)

- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Axon Evidence services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The energy weapon cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER standard series cartridges

Axon Signal Performance Power Magazine (SPPM)

- Battery pack for the TASER X2 and X26P conducted electrical weapons
- Shifting the safety switch from the down (SAFE) to the up (ARMED) positions sends a signal from the SPPM. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode. Axon Signal technology only works with Axon cameras.

Axon Signal Sidearm Sensor

- Can be installed on common duty holsters
- Drawing a service handgun from the holster sends a signal from the Axon Signal Sidearm sensor. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode.

TASER Brand Energy Weapon Model Numbers

1. Energy Weapons:
   - TASER 10 Models: 100390, 100391
   - TASER 10 Inert Device Model: 100392
   - TASER 7 Models: 20008, 20009, 20010, and 20011
   - TASER 7 CQ Models 20213, 20214
   - TASER X2 Models: 22002 and 22003
   - TASER X26P Models: 11002 and 11003

2. Optional Extended Warranties for Energy Weapons:
   - TASER 7 – 4-year extended warranty, item number 20040
   - X2 – 4-year extended warranty, item number 22014
   - X26P – 2-year extended warranty, item number 11008
   - X26P – 4-year extended warranty, item number 11004

3. TASER 10 Magazines
   - TASER 10 live duty magazine (black), item number 100393
   - TASER 10 Hook and Loop Training (HALT) magazine (blue), item number 100394
   - TASER 10 live training magazine (purple), item number 100395
   - TASER 10 inert training magazine (red), item number 100396

4. TASER 10 Cartridges (compatible with the TASER 10, required for this energy weapon to function in the probe deployment mode)
   - TASER 10 live cartridge, item number 100399
   - TASER 10 HALT cartridge, item number 10400

- TASER 10 inert cartridge, item number 100401

5. TASER 7 Cartridges (compatible with the TASER 7; required for this energy weapon to function in the probe deployment mode)
   - Standoff cartridge, 3.5 degrees, Model 20012
   - Close Quarter cartridge, 12 degrees, Model 20013

6. TASER standard cartridges (compatible with the X26P; required for this energy weapon to function in the probe deployment mode):
   - 15-foot Model: 34200
   - 21-foot Model: 44200
   - 21-foot non-conductive Model: 44205
   - 25-foot Model: 44203
   - 35-foot Model: 44206

7. TASER Smart Cartridges (compatible with the X2; required for this energy weapon to function in the probe deployment mode):
   - 15-foot Model: 22150
   - 25-foot Model: 22151
   - 25-foot inert simulation Model: 22155
   - 25-foot non-conductive Model: 22157
   - 35-foot Model: 22152
   - Inert Smart Cartridge Model: 22153

8. Power Modules for TASER 7 and TASER 10 energy weapons:
   - Tactical battery pack Model 22018
   - Compact battery pack Model 22019
   - Non-Rechargeable battery pack Model 22020
   - Disconnect battery pack Model 20027 (currently only for the TASER 7 energy weapon)

9. TASER CAM HD recorder Model: 26810 (full HD video and audio) and TASER CAM HD with AS (automatic shut-down feature) Model: 26820. The TASER CAM HD is compatible with both the X26P and X2 energy weapons.
   - TASER CAM HD replacement battery Model: 26764
   - TASER CAM HD Download Kit Model: 26762
   - TASER CAM HD optional 4-year extended warranty, item number 26763

10. TASER Weapons Dock, used with TASER 7 and TASER 10 battery packs:
    - TASER Weapons Dock Core and Multi-bay Module: 74200
    - TASER Weapons Dock Core and Single-bay Module: 74201
    - TASER Weapons Dock Single Bay Dataport: 74208

11. Power Modules (Battery Packs) for X26P and X2 energy weapons:
    - Performance Power Magazine (PPM) Model: 22010
    - Tactical Performance Power Magazine (TPPM) Model: 22012
    - Automatic Shut-Down Performance Power Magazine (APPM) Model: 22011
    - eXtended Performance Power Magazine (XPPM) Model: 11010
    - eXtended Automatic Shut-Down Performance Power Magazine (XAPPM) Model: 11015
    - Axon Signal Performance Power Magazine (SPPM) Model: 70116

12. TASER Dataport Download Kits:
    - Dataport Download Kit for the X2 and X26P Model: 22013

13. TASER Blast Door Repair Kit Model 44019 and TASER Blast Door Replenishment Kit Model 44023

14. TASER Simulation Suit II Model 44550

Axon Digital Evidence Solution Description

Axon Body 4 Video Camera (DVR)

- Improved, 160-degree field of view
- Upgraded sensor provides sharper, more detailed images
- Full-shift battery, even when using Axon Respond real-time services
- Bi-directional communications with Watch Me button allowing support teams to view wearer's footage. (Requires Axon Respond)
- Real-time support allows wearer to view user locations on live maps, receive alerts, and view live streams. (Requires Axon Respond location services)
- Faster recharging
- Optional point-of-view (Flex POV) camera module
- Thirteen-hour battery
- Up to 120-second buffering period to record footage before pressing the record button
- Simplified registration

Axon Body 3 Video Camera (DVR)

- Improved video quality with reduced motion blur and better low-light performance
- Multi-mic audio—four built-in microphones
- Wireless upload option
- Gunshot detection and alerts
- Streaming audio and video capability
- "Find my camera" feature
- Verbal transcription with Axon Records (coming soon)
- End-to-end encryption
- Twelve-hour battery
- Up to 120-second buffering period to record footage before pressing record button

Axon Flex 2 Video Camera

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 0.1 lux
- Audio tones to alert user of usage
- Low SD, high SD, low HD, and high HD resolution (customizable by the agency)
- Up to 120-second buffering period to record footage before pressing record button
- Multiple mounting options using magnetic attachment: head, collar, shoulder, helmet, ball cap, car dash, and Oakley sunglass mounts available
- 120-degree diagonal field of view camera lens. 102-degree horizontal field of view, and 55-degree vertical field of view

Axon Flex 2 Controller

- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Haptic notification available
- Tactical beveled button design for use in pocket
- Compatible with Axon Signal technology

Axon Body 2 Video Camera

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux
- Audio tones and haptic (vibration) notification to alert user of usage
- Audio mute during event option
- Wi-Fi capability
- High, medium, and low quality recording available (customizable by the agency)
- Up to two-minute buffering period to record footage before pressing record button

- Multiple mounting options using holster attachment: shirt, vest, belt, and dash mounts available
- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- 143-degree lens
- Includes Axon Signal technology

Axon Fleet 2 Camera

- High-definition video system with wide field of view, zoom, infrared for the back seat and wireless microphone integration
- Intuitive mobile data terminal app, Axon View XL, for quick tagging, uploads and more on the fly
- Ability to efficiently categorize, play back and share all video alongside other digital files on Axon Evidence
- Multi-cam playback, for reviewing up to four videos, including body-worn and in-car footage, at the same time
- Best-in-class install times and quick remote troubleshooting
- Fully integrated with Axon Evidence services and Axon devices
- Automatic time synchronization with other Axon Fleet and Axon on-officer cameras allows for multi-camera playback on Axon Evidence.
- Immediate upload to Axon Evidence of critical event videos via 4G/LTE
- Wireless alerts from the TASER energy weapon Signal Performance Power Magazine (SPPM).
- Automatic transition from BUFFERING to EVENT mode in an emergency vehicle equipped with the Axon Signal Unit

Axon Fleet Camera

- In-car camera with the technological advantages of the Axon Body 2 camera
- Flexible mount that enables pointing the camera in multiple directions
- Automatic transition from buffering to event mode in an emergency vehicle equipped with the Axon Signal Unit

Axon Signal Unit (ASU)

- Communications device that can be installed in emergency vehicles.
- With emergency vehicle light bar activation, or other activation triggers, the Axon Signal Unit sends a signal. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode.

Axon Interview Solution

- High-definition cameras and microphones for interview rooms
- Covert or overt camera installations
- Touch-screen user interface
- Motion-based activation
- Up to 7-minute pre- and post-event buffering period
- Full hardware and software integration
- Upload to Axon Evidence services
- Interview room files can be managed under the same case umbrella as files from Axon on-officer cameras and Axon Fleet cameras; i.e., Axon video of an arrest and interview room video are managed as part of the same case in Axon Evidence
- Dual integration of on-officer camera and interview room camera with Axon Evidence digital evidence solution

Axon Signal Technology

- Sends a broadcast of status that compatible devices recognize when certain status changes are detected.
- Only compatible with TASER and Axon products

Axon Dock

- Automated docking station uploads to Axon Evidence services through Internet connection
- No computer necessary for secure upload to Axon Evidence
- Charges and uploads simultaneously
- The Axon Dock is tested and certified by TUV Rheinland to be in compliance with UL 60950-1: 2007 R10.14 and CAN/ CSA-C22.2 N0.60950-I-07+AI:2011+A2:2014 Information Technology Equipment safety standards.

Axon Evidence Data Management System

- Software as a Service (SaaS) delivery model that allows agencies to manage and share digital evidence without local storage infrastructure or software needed
- SaaS model reduces security and administration by local IT staff: no local installation required
- Automatic, timely security upgrades and enhancements deployed to application without the need for any local IT staff involvement
- Securely share digital evidence with other agencies or prosecutors without creating copies or requiring the data to leave your agency's domain of control
- Controlled access to evidence based on pre-defined roles and permissions and pre-defined individuals
- Password authentication includes customizable security parameters: customizable password complexity, IP-based access restrictions, and multi-factor authentication support
- Automated category-based evidence retention policies assists with efficient database management
- Ability to recover deleted evidence within 7 days of deletion
- Stores and supports all major digital file types: .mpeg, .doc, .pdf, .jpeg, etc.
- Requires NO proprietary file formats
- Ability to upload files directly from the computer to Axon Evidence via an Internet browser
- Data Security: Robust Transport Layer Security (TLS) implementation for data in transit and 256-bit AES encryption for data in storage
- Security Testing: Independent security firms perform in-depth security and penetration testing
- Reliability: Fault- and disaster-tolerant infrastructure in at least four redundant data centers in both the East and West regions of the United States
- Chain-of-Custody: Audit logs automatically track all system and user activity. These logs cannot be edited or deleted, even by account administrators and IT staff
- Protection: With no on-site application, critical evidence stored in Axon Evidence is protected from local malware that may penetrate agency infrastructure
- Stability: Axon Enterprise is a publicly traded company with stable finances and funding, reducing concerns of loss of application support or commercial viability
- Application and data protected by a CJIS and ISO 27001 compliant information security program
- Dedicated information security department that protects Axon Evidence and data with security monitoring, centralized event log analysis and correlation, advanced threat and intrusion protection, and incident response capabilities
- Redact videos easily within the system, create tags, markers and clips, search seven fields in addition to five category-based fields, create cases for multiple evidence files

Axon Evidence for Prosecutors

- All the benefits of the standard Axon Evidence services
- Ability to share information during the discovery process
- Standard licenses available for free to prosecutors working with agencies already using Axon Evidence services
- Unlimited storage for data collected by Axon cameras and Axon Capture

Hi Logan,

Nice to speak with you on Friday, and I also included a copy of the League of Oregon Cities co-op here.

The bundled Taser 10 SKU price on League of Oregon Cities is $150.55 per user per month. The cost to the department is $98.88 on the current contract.

Because the SKU 100390 is a bundle, the full amount would be crosschecked to the SKU 100390 on the League of Oregon Cities co-op. The bundled items are not crosschecked individually against cost on the co-op because each, like holster, battery, warranty for example, are included in the bundled cost.

The total is adjusted because of $30,265.84 of incentives. The incentive includes $23,872.59 in buybacks on the department's current platform. This means Axon is buying back the current handles at the department for $468.09 per device. For (51) devices the total is $23,872.59.

An additional $99.03 is discounted off SKU 20370 at a total of $5,050.53.

The total on the program without incentive is $337,896.07.

Respectfully,

Christian Gardner

Resolution #_____

RESOLUTION BY THE CITY OF HENDERSONVILLE CITY COUNCIL TO AUTHORIZE THE SOLE-SOURCE PURCHASE OF AXON PRODUCTS

WHEREAS, the City of Hendersonville's Finance Department is submitting this request on behalf of the City's Police Department; and,

WHEREAS, the Police Department has indicated the following: "Axon provides Conducted Energy Weapons to the Hendersonville Police Department. The Hendersonville Police Department has maintained and contracted Axon to provide this product to the Hendersonville Police Department for over 20 years. All Hendersonville Police Department officers are certified and trained to use Axon Conducted Energy Weapons. The Hendersonville Police Department maintains training equipment and certified instructors of Axon Conducted Energy Weapons. The use of Axon Conducted Energy Weapons is mission critical to the operations of the Hendersonville Police Department."; and,

WHEREAS, this would be part of a five (5) year contract totaling $322,789.94 after taxes with $63,453.29 apply to Fiscal Year 2027. Per the attached, Axon is providing $23,872.59 in buyback incentives for our existing outdated equipment. This encompasses fifty-one (51) devises; and,

WHEREAS, the City has elected not to use the allowable Group Purchasing Organization Contract via League of Oregon Cities (which it used five (5) years ago), due to pricing now being substantially lower than the current GPO's contracted pricing; and,

WHEREAS, NCGS 143-129(e) lists the authorized exceptions to the formal bid procedures. NCGS 143-129(e)(6) allows for purchases of apparatus, supplies, materials, or equipment to be purchasing using sole-source exception when: (i) performance or price competition for a product are not available; (ii) a needed product is available from only one source of supply; or (iii) standardization or compatibility is the overriding consideration. The governing board of a political subdivision of the State shall approve the purchases listed in the preceding sentence prior to the award of the contract; and,

WHEREAS, staff is requesting City Council to approve this sole source purchase request for the Police Department; and,

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Hendersonville, North Carolina that city staff is authorized to move forward with the sole source purchase contract for applicable products from Axon Enterprises, Inc.

Adopted by the City Council of the City of Hendersonville, North Carolina on this 28th day of October, 2026.

Attest: _____ Barbara G. Volk, Mayor, City of Hendersonville

_____
Jill Murray, City Clerk

Approved as to form:

Angela S. Beeker, City Attorney

CITY OF HENDERSONVILLE

AGENDA ITEM SUMMARY

SUBMITTER: Logan Hickey **MEETING DATE:** 10/28/2026

AGENDA SECTION: Consent Agenda **DEPARTMENT:** W&S Operations

TITLE OF ITEM: Purchase of Fleet Vehicles for Police Department- *Logan Hickey, Chief Myhand, Captain Laws*

SUGGESTED MOTION(S):

I move City Council adopt *the Resolution by the City of Hendersonville City Council to authorize the purchase of a twelfth fleet vehicle via NC State Contract 2510A thru Deacon Jones Chrysler of Clinton.*

SUMMARY:

The City's Finance Department is submitting this in collaboration with and on behalf of the City's Police Department. The City of Hendersonville is purchasing its yearly replacement fleet vehicles.

The Police Department has purchased eleven (11) vehicles via PO27-235 for $495,333.56 from Deacon Jones Chrysler of Clinton (dba Clinton Auto, LLC). To make this purchase, the City has utilized North Carolina State Contract # 2510A, which is a Group Purchasing Organization contract thru North Carolina Purchase and Contract. Use of this contract is permitted by GS 143-129(e)(3). The Police Department would like to make one (1) additional vehicle purchase with this vendor, which has been allotted within the Police Departments capital vehicle purchasing budget in FY27. This additional vehicle is the 2027 Dodge Durango Pursuit (5.7L Hemi V-8 AWD) and will cost an additional $44,509.16 and will lead to a total spend among these two purchase orders to this vendor of $539,842.72. Since this amounts to $500,000.00 or greater, City Council approval is required.

BUDGET IMPACT: $539,842.72

Is this expenditure approved in the current fiscal year budget? FY27

Resolution #_____

RESOLUTION BY THE CITY OF HENDERSONVILLE CITY COUNCIL TO AUTHORIZE THE PURCHASE OF TWELVE FLEET VEHICLES FOR POLICE DEPARTMENT FOR FISCAL YEAR 2027

WHEREAS, the City's Finance Department is submitting this in collaboration with and on behalf of the City's Police Department; and,

WHEREAS, the City of Hendersonville is purchasing its yearly replacement fleet vehicles; and,

WHEREAS, the Police Department has purchased eleven (11) vehicles via PO27-235 for $495,333.56 from Deacon Jones Chrysler of Clinton (dba Clinton Auto, LLC). To make this purchase, the City has utilized North Carolina State Contract # 2510A, which is a Group Purchasing Organization contract thru North Carolina Purchase and Contract. Use of this contract is permitted by GS 143-129(e)(3). The Police Department would like to make one (1) additional vehicle purchase with this vendor, which has been allotted within the Police Departments capital vehicle purchasing budget in FY27. This additional vehicle is the 2027 Dodge Durango Pursuit (5.7L Hemi V-8 AWD) and will cost an additional $44,509.16 and will lead to a spend among these two purchase orders to this vendor of $539,842.72. Since this is minimally $500,000.00, this requires City Council approval.); and,

WHEREAS, the Police Department would like to make one (1) additional vehicle purchase with this vendor, which has been allotted within the Police Departments capital vehicle purchasing budget in FY27. This additional vehicle is the 2027 Dodge Durango Pursuit (5.7L Hemi V-8 AWD) and will cost an additional $44,509.16 and will lead to a total spend among these two purchase orders to this vendor of $539,842.72. Since this amounts to $500,000.00 or greater, City Council approval is required; and,

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Hendersonville, North Carolina that the City's Police Department is authorized to purchase the referenced twelfth (12) vehicle from Deacon Jones Chrysler of Clinton dba Clinton Auto, LLC.

Adopted by the City Council of the City of Hendersonville, North Carolina on this 28th day of October, 2026.

Attest: _____ Barbara G. Volk, Mayor, City of Hendersonville

_____
Jill Murray, City Clerk

Approved as to form:

Angela S. Beeker, City Attorney

Proclamation

Honoring the Observance of "We Are Hope" Week in Henderson County Public Schools' Middle & High Schools November 9, 2026 – November 13, 2026

WHEREAS, Substance and alcohol abuse negatively affects many areas of the brain, the liver, the heart, and other body parts and can cause adverse behavior, psychological, and social consequences; and

WHEREAS, there were more than 69,900 drug overdose deaths in the United States in 2025 and 44,564 of those deaths involved opioids; and

WHEREAS, substance and alcohol abuse continues to occur among children and youth in our society. In 2025, 15.3% of youth aged 12 years or older met diagnostic criteria for a substance use disorder in the past year; and

WHEREAS, according to the 2025 National Survey on Drug Use and Health from the Substance Abuse and Mental Health Services Administration, approximately 1 in 4 youth aged 12 years or older reported illicit drug use in last year, including 129.1 million reported alcohol use, followed by 46.9 million using tobacco products, 43.8 million using marijuana, and 29.3 million vaping nicotine; and

WHEREAS, student leaders in Henderson County Public Schools' six high schools and four middle schools have joined with local Henderson County coalition HopeRx in educating their peers on alcohol, tobacco, marijuana and prescription drug use and abuse; and

WHEREAS, students at Apple Valley Middle, Flat Rock Middle, Hendersonville Middle, Rugby Middle, East Henderson High, Innovative High School, Henderson County Career Academy, Mountain Community School, Hendersonville High, North Henderson High, and West Henderson High are pledging to be and remain substance-free.

NOW THEREFORE BE IT RESOLVED, by the City of Hendersonville City Council, that November 9th - 13th, 2026, be observed in Henderson County Public Schools', middle and high schools, as "We Are Hope" substance misuse awareness week.

Proclaimed on the 28th day of October, 2026.

Water Treatment Manager Ricky Levi, Chief Water Treatment Plant Operator Gary Norton, and Utilities Director Adam Steurer at NCWOA Awards Banquet September 2026.

Staff Accomplishments and Accolades

- **Gary Norton – Surface Water Operator of the Year** - Chief Water Treatment Plant Operator Gary Norton was named North Carolina's A-Surface Operator of the Year by the North Carolina Waterworks Operators Association (NCWOA). The award recognizes operators who demonstrate outstanding ability, devotion, and technical expertise in the operation of a water treatment facility. Norton has worked at Hendersonville's Water Treatment Facility for 33 years. He started as a third-shift operator and has worked in every aspect of the facility, including operations, maintenance, laboratory, and compliance.
- **Chad Thompson – MVP** - Superintendent at the Carl Sandburg National Historic Site, sent a message to express appreciation for Chad Thompson who respond courteously and swiftly with park personnel to get water restored quickly after a water pipe broke in the pumphouse in the within park.
- **Kasey Lyons Sudderberg – Quarterly MVP** – Kasey received the city-wide Quarterly MVP (Q2 2026) award for being instrumental in the development of the Fats Oils and Grease (FOG) program including routine inspections and creating a public education awareness day - Grease Busters Day. Kasey has had a direct impact on Hendersonville's recognition as a leading utility in grease management.

Operator Certifications Obtained

- McIntyre Sudderberg: Wastewater Treatment Biological Operator I
- Chris Davis: Wastewater Treatment Biological Operator I

Departmental Awards, Achievements and Events

- The United States Economic Development Administration (EDA) recently awarded a **$20.1 million grant** to the City for capacity expansion of the Wastewater Treatment Facility. This funding will go towards the City's WWTF Expansion and Flood Mitigation Project. To date the City has received $72.1 million towards the project; $39 million in low-interest loans and $33.1 of grant funding.

The Wastewater Treatment Facility Expansion and Flood Mitigation project team and funding agencies met at the WWTF to celebrate the funding milestones.

- In partnership with the Public Works Department, a **new drinking water fountain** was installed on Main Street at the intersection of West Allen and the Ecusta Trail. The new water fountain will serve as a great amenity for the public and Ecusta Trail users and promote the utility's high-quality tap water.

Utility and City staff pose to commission the new main street drinking water fountain.

- The utility recently completed another milestone in its **lead service line (LSL) compliance** efforts. 340 randomly selected unknown material water service lines were physically inspected by staff, and all were confirmed as non-lead. This work is in addition to an extensive records review and a previous inspection of 88 addition service lines that had the highest likelihood of lead service line presence due to age and maintenance records. With greater than 95% confidence less than 1% of lead service lines in the water system may contain lead materials. Additional information is available on the City's Lead Service Line webpage.
- Hendersonville hosted US Environmental Protection Agency (EPA) Deputy Administrator David Fotouhi and EPA Region 4 Administrator Kevin McOmber on a visit to Western North Carolina. Hendersonville utility leaders participated in a roundtable discussion with other regional utilities highlighting EPA's role in restoring and strengthening water and wastewater infrastructure following Hurricane Helene. Additional details from the visit are available at EPA's press release.

Hendersonville hosts US EPA administrators and other regional utility leaders in a discussion of water and wastewater restoration and resiliency following Hurricane Helene.

CITY OF HENDERSONVILLE

AGENDA ITEM SUMMARY

SUBMITTER: Brian Pahle **MEETING DATE:** 8/26/2026

AGENDA SECTION: CLOSED SESSION **DEPARTMENT:** Administration

TITLE OF ITEM: Closed Session – *Brian Pahle, City Manager*

SUGGESTED MOTION(S):

I move that City Council enter closed session pursuant to NCGS § 143-318.11 (a) (1), (a)(3) and (a) (6) to prevent the disclosure of information that is privileged or confidential pursuant to the law of this State or of the United States, or not considered a public record within the meaning of Chapter 132 of the General Statutes, to consult with the City Attorney to preserve the attorney client privilege and to discuss the case of Public Service Co of NC, Inc, d/b/a Enbridge Gas, NC v. Moore & Son Site Contractors, Inc., ….and the City of Hendersonville, 25CV002532-440, Henderson County Superior Court, and to consider the qualifications, competence, performance, character, fitness of an individual public officer or employee.
